Four bids were received as follows: Peak Sand and Gravel-\$2,070,000; Deatly-\$799,650; Woods Crushing-\$698,500; and Western Construction-\$677,500. Director Lenz answered the Board's question that Ruen Yeager's Laura Winter has reviewed the bids with the low bid meeting all requirements and the math was correct. Commissioner Werner **moved** to award the rock crushing bid to Western Construction for \$677,550 and also to approve the contract with Ruen Yeager and Associates to monitor the project. Chairman Humphreys seconded. **Motion carried** unanimously. Commissioner Humphreys asked the District Clerk if funds were available for the overage. Ms. Walson presented a spreadsheet and explained changes in projects that would free up funding by pushing them to the following year so there will be available funds. [2/3/2021 Brd Mtg]

Garnet Ranch Variance to Plat

Drew Dittman of Lake City Engineering explained the first phase of Garnet Ranch is complete and they are now working on the second phase in which the interior road will be extended. Kootenai County Planning requires Hayden Avenue has to be built to the end of the plat boundary which is an additional 730-feet that does not serve any proposed lots. The developer is asking for a lot line adjustment to remove this requirement and has a meeting with Kootenai County Commissioners February 4. In the event they do not approve the adjustment, Mr. Dittman is working on a second option asking this Board to allow them to bond at 150% of the engineer's estimate and enter into an agreement to build the road at a later date. Discussion followed with the Board agreeing that if the lot line adjustment is not approved by the County, they would allow him to return to the Board to present an agreement for the Board's review. [2/3/2021 Brd Mtg]

Fuel Delivery Renewal, Piggyback Agreement

With the fuel bid due March 31, a change order to extend the current agreement for two years was prepared for the Board's review. District Clerk Shirley Walson questioned if the Board wished to go out to bid or agree to a change order citing she had checked with the owner who is agreeable to extending the contract by change order. Change Order #2021-1 and to obtain to authorize the Chairman to sign once we have the signature from JMT Petroleum. Chairman Humphreys seconded. **Motion carried** unanimously. [2/3/2021 Brd Mtg]

Chairman Humphreys seconded. **Motion carried** unanimously. [2/3/2021 Brd Mtg]

Heaven's Gate 1st Addition Road Developer's Agreement, Plat Approval

Director Lenz presented the mylars along with a Road Developer's Agreement for \$7,000 (2 additional lots at \$3,500 each) for Heaven's Gate 1st Addition. After a quick explanation of a corrected agreement received earlier in the day, Commissioner Werner **moved** to approve the Road Developers Agreement Heaven's Gate and for the Chairman to sign the plat. He informed the Board other highway districts were allowing or anticipating incentives to employees for getting the vaccine with the Board rebuffed but will allow them to honor their vaccine appointments during work hours. Director Lenz also reminded the Board that as of December 31, the federal requirement to provide two weeks District pay to those who become sick with Covid has expired, so sick time for this event now comes out of the employee's sick time. The second variance request is the slopes, building south of the section line at a 2:1 cut and fill slope to the edge of asphalt instead of the 4:1 District requirement, and will eliminate the 2' gravel shoulder on the. ENGINEERING

Greensferry River Crossing – Daniel Baker of HDR provided an update to this project after meeting with the U.S. Coast Guard last week. Mr. Baker discussed the Coast Guard's requirements for a Bridge Permit and noted that under the current bridge proposal, their requirements would not be met. Their requirement of a higher rise, or a lift or draw bridge, the bridge becomes monetarily out of reach. The Board instructed staff to conclude the Crossing project while meeting all legal requirements and to have a cost of Phase II provided to the District by the next meeting. [2/17/2021 Brd Mtg]
