

## POST FALLS HIGHWAY DISTRICT

# SPRING BREAK-UP PERMIT GUIDELINES

### Essential Service Providers

- Garbage trucks
- Septic system pump trucks
- Heating oil and propane trucks can haul ½ loads
- Utility Providers – permits are for **emergency situations only**

These are considered essential services. Companies falling under this criterion will be required to fill out a permit for each truck they will be running during break-up season. Please allow at least 48 hours for your application to be processed.

### Non-Essential Service Providers

To determine if your gross vehicle weight complies with Kootenai County Load Limits, go to [www.postfallshd.com](http://www.postfallshd.com) click the General Info tab then click Load Limits to calculate your vehicle's gross weight. Vehicles must be under the maximum, allowable amounts, while load limits are in effect.

**EVERYONE HAULING A LOAD MUST COMPLY WITH THE 25 MPH SPEED LIMIT**
